

## 730(4) CEA - Aerial Cable Pressure Transducer

- Aerial C Pressure Transducer (Commercial equivalent to 'C' Pressure Transducer (AT-8311))
- 730 Pressure Range: 0-9.5PSI
- 734 Pressure Range: 0-95Kpa (0-13.8PSI)
- Standard 100KOhm to 3.82MOhm Resistive Output
- Pressure Connection: Male 1/8-27NPT
- Electrical Connection: 6 Ft. SVO Cable, 2 Conductor, 18AWG with Spade Lugs
- Dimensions/Weight: 2 1/2" x 2 1/2" (base) x 3 3/4" high/2 lbs.
- Case Material: Electro Tin Plated Brass Casting
- Overpressure: 30PSIG (44.7 PSIA) Maximum
- Accuracy:  $\pm 0.25$ PSI
- Operational Life: 250,000 Cycles (to specified accuracy)
- Ambient Temperature Range: -40°F to +140°F
